

Nougat

Design by Susanna IC

This practical neckwarmer will keep you warm on a chilly day by staying securely tucked into your jacket without any possibility of coming untied like a scarf.

Nougat features a decorative lace rib pattern that looks like strings of tiny cables; however, cable needle or cable knitting experience is not necessary for a successful project. The mock cables are actually created with a basic slipped stitch sequence followed by a yarn over in an easy to memorize five row pattern.

Although the pattern is written for a fingering yarn, almost any yarn can be used. The neckwarmer will look equally great knitted in heavier yarns on larger needles. The finished size can be customized by simply changing the number of cast on stitches in increments of five.

Finished Size: 8" x 22"

Yarn: Any fingering or sport weight yarn; the original project was knitted with approximately 280 yards of Knit Picks Gloss (70% merino wool, 30% silk; 220 yards / 50 grams)

Gauge: 15 sts / 20 rows = 2" in 2x3 rib pattern knit circularly (not stretched)

Needles: Size 6 / 4.00 mm double-point or circular needles

Notions: Stitch marker, yarn needle

Neckwarmer

Cast on 220 sts; place marker and join for knitting in the round, being careful not to twist stitches. Work p2, k3 ribbing until work measures approximately 2" from the edge. Start the wrap cable pattern beginning with the next round and complete approximately 5". For a taller neckwarmer continue the pattern for several more repeats, as desired. Finish by working 1" in the 2x3 ribbing. Cast off loosely enough for the edge to remain stretchy and comfortable during wear.

Finishing

Weave in any remaining loose ends; block gently, if desired.

Wrap Cable Pattern

(multiple of 5 sts)

Row 1 *P2, sl1, k2, pssso; rep from * to end.

Row 2 *P2, k1, yo, k1; rep from * to end.

Row 3 - 5 *P2, k3; rep from * to end.

Rep rows 1-5
